## Boomers & Beyond Boomers Weatherproof Outing

**Grand Central Terminal**

**TCM Classic Film Tour**

This is it! The one you have been waiting for. Behind the scenes tours of Grand Central Terminal and on-site movie locations in New York City.

First on the agenda is a private tour of Grand Central. We will all meet at the station and be taken on a 75-minute tour that highlights the history, architecture and operations of one of the world's biggest train terminals. You will see parts of the terminal that commuters never see.

Following the tour, there will be plenty of time for lunch. Feel free to dine at any of the station's dozens of eateries or check out one of midtown Manhattan's offerings.

In the afternoon, we will have a special bus from Turner Classic Movies that will take you on a tour of all of the famous movie locations in New York City. TCM has selected the best movie sites around Manhattan to share with you in person and in movie clips. You'll get a behind-the-scenes look at some of your favorite classic films set in New York City, as your guide entertains, informs and quizzes you with trivia questions while showcasing over 60 filming locations!

We will not be using a bus from Bet Torah. Instead, everyone will take a train from their local station directly to Grand Central. The first tour starts at 10:30 and the last one ends at 4:30. After the tour concludes you are free to roam around the City to your heart's content. Shop, stay for dinner. Whatever you like. Then, take the train back home. What could be more convenient?

All members of the Bet Torah community are invited, but **seats are limited, and will be filled on a first come/first served basis**. So, if interested, be sure to **RSVP by January 10** using the form below. Please identify all the attendees in your party. Also, indicate if a ride to/from Bet Torah is required.
