

**Torah Scroll Pickup/Return And Acknowledgment Form**

I/we understand that Bet Torah is allowing our family to transport the Torah scroll to and from our home for use in the Bar/Bat Mitzvah ceremony of our son(s)/daughter(s). As a sacred religious article belonging to Bet Torah, I/we acknowledge and agree to the rules and protocols related to the transportation and use of the Torah as set forth in the Protocols for the BBM Home Torah Program that I have received and as explained to us by the Rabbi or the Cantor. I also acknowledge and agree that:

- The Torah scroll must be transported from Bet Torah to my/our home and returned to Bet Torah in a reasonable and responsible manner.
- I/we accept responsibility for the Torah during the entire time period it is in my/our possession.
- I/we understand that the Torah scroll must be used for the sole purpose for which it is intended and shall be returned to Bet Torah in the same condition in which it was received.

I/we understand the above responsibilities and obligations and signify our agreement by signing below.
