

The Book of Remembrance

YOM KIPPUR

*"And a Book of
Remembrance
was written before
Him for them that
reverenced the Lord and
thought upon His name."
(Malachi 3,6)*

We Recall

Some of us recall parents who watch over us, nursed us, guided us, and sacrificed for us.

Some of us lovingly call to mind a wife, husband, or partner with whom we were truly united – in our hopes and our pains, in our failures and our achievements, in our joys and our sorrows.

Some of us remember brothers and sisters, who grew up together with us, sharing in the play of childhood, in the youthful adventure of discovering life's possibilities, bound to us by a heritage of family tradition and by years of togetherness and love.

Some of us call to mind children, entrusted to us too briefly, to whom we gave our loving care and from whom we received a trust that enriched our lives.

So many of us recall beloved relatives and friends whose affection and devotion enhanced our lives, and whose visible presence will never return to cheer, encourage, or support us.

Though they are gone, we are grateful for the blessings they brought to our lives. We are sustained and comforted by the thought that their presence in our lives remains an enduring blessing that we can bequeath to others.

We can show our devotion to them by our devotion to those ideas that they cherished.

O God of love, make us worthy of the love we have received by teaching us to love You with all our heart and with all our soul and with all our might, and to spread the light of Your divine love on all whose lives touch ours.

Give us strength to live faithfully, for we are cheered by our confidence that You will not permit our lives to be wasted, but will bring all our worthy strivings to live on, even as we may not see their fulfillment.

The deaths of those we now remember left holes in our lives. But we are grateful for the gift of their lives and we are strengthened by the blessings that they left us and the precious memories that comfort and sustain us as we recall them this day.
