

Dear Parents,

Thank you for your interest in Bet Torah Nursery School. We offer classes for 2, 3, and 4 year olds as well as our toddler program, Kitah Katan. This is a special separation program for children 18 months old getting ready for preschool.

Registration for the 2021-2022 school year begins on November 30 for current Nursery School families and synagogue members and opens to the public on December 7.

Our early education program is designed to promote the cognitive, social, emotional and physical growth of each child. Our outstanding, nurturing and creative staff strives to provide opportunities for children to learn through play in a warm and welcoming environment.

Our focus is on play, socialization, and kindergarten readiness. By sharing our Jewish culture and celebrating holidays and Shabbat, we create a strong Jewish identity in our children and a lifelong love of Judaism. For parents less familiar with Jewish customs and ceremonies, we provide an opportunity for you to learn with your children.

Other integral aspects of our program are after school enrichment classes, summer camp and special events throughout the year, including special Saturday morning Gan Shabbat services and Friday evening Shabbatini Young Family Services & Dinner.

Registration is conducted on a first-come first-served basis. Registration materials may be found on our website, www.bettorah.org. Your application and a deposit of \$500 must be received to secure a space in our program.

Please call the Nursery School Office at (914) 666-7595. We look forward to sharing a memorable year with you and your family.

With warmest regards,

Mindy Citera

Director
