

Bet Torah Nursery School Weather Related Closing Information

In the event of bad weather conditions prior to school opening, watch TV News Channel 12 (Cablevision) or tune in to WHUD 100.7FM for school cancellation information.

Additionally, a Facebook posting and an e-mail to parents will be sent by 7:30 am when school is closed due to inclement weather. You may also call the Bet Torah Voice Mail system after 8am (666-7595 extension 110), for the Nursery School. If school is cancelled for that morning, Mindy's voice message will include that information. (There is no need to leave a message.)

You will ***not*** receive a phone call from your teacher unless you have previously made arrangements to be called. *Please be kind to your caregivers and specialist teachers to alert them when school is closed.*

When Bedford Schools are closed, Bet Torah Nursery School is closed. When Bedford Schools are on 2-hour delay, we make a determination as to whether to close completely, open regular time or delay our opening. (Often school districts delay their opening as high school buses cannot navigate the roads at 6:30am).

Enrichment classes will not be held when school is closed due to weather conditions. While snow days are built into the school calendar, enrichment classes are made up in June.

In the event of bad weather conditions developing during school:

A Constant Contact email and Facebook posting will inform parents to return to school to pick up students. It is imperative that classroom teachers have your cell phone and work numbers in case we dismiss early. You may also call 666-7595, extension 110, to hear about early closing.
