

## Winter 2021 Enrichment Session for Suzanne and Debra's 3s

The winter enrichment session begins Monday, January 4. The after-school enrichment program runs from Noon to 1:30 pm. It will consist of a lunch period, a special class and a recess period.

On **Mondays**, the Explorers' special class, taught by Morah Anne, will be "Discovering Famous Artists". The children will learn about famous artists and then create masterpieces of their own. Morah Anne has taught preschool art for many years. On **Tuesdays and Thursdays**, the special class, taught by Morah Suzanne and Morah Anne, will be a varied curriculum that will include yoga, science, math fun, fun with food and more. On **Wednesdays**, the special class will be HappyFeet Soccer, and it will be held outdoors when possible. Otherwise, it will be held in the large social hall.

Children will stay in the same classroom "pod" as their morning class and children who enroll in the after-school program **MUST** be completely potty-trained.

Children will bring a dairy, nut-free lunch to school. It is VERY important that food items do not contain any nuts, nor made in a facility that processes nuts, as we do have children with nut allergies in our school. If your child has a food allergy, please affix a note on their lunch box indicating the allergy.

A minimum of five of your child's morning "pod-mates" must be enrolled in order to hold enrichment for that class/pod on a given day.

The winter session runs from January 4-March 26.

**Registration, with payment MUST be received NO LATER THAN FRIDAY, DECEMBER 18**, so we can determine if we have sufficient enrollment to hold enrichment on a given day. *Please hand the form and check to your child's teacher.*

Please contact Assistant Director, Amy Portnoy ([aportnoy@bettorah.org](mailto:aportnoy@bettorah.org)), with any questions.

### **Enrichment Class Dates:**

Mondays (10 classes): 1/4, 1/11, 1/25; 2/1, 2/8, 2/22; 3/1, 3/8, 3/15, 3/22
