

Winter 2021 Enrichment Session for Jill and Haley's 4s

The winter enrichment session begins Monday, January 4. The after-school enrichment program runs from Noon to 1:30 pm. It will consist of a lunch period, a special class and a recess period.

Children will stay in the same classroom "pod" as their morning class, *although the staff member(s) may be different from the morning teachers, depending on staff availability.*

We are excited to introduce "Language and Literacy" on **Mondays and Thursdays**, taught by Morah Jill, which is a fun readiness program designed to promote letter awareness and letter-sound association using a multi-sensory, age appropriate approach. **This class is a 2 day/week class; to enroll, you must register your child for BOTH DAYS.**

We continue to offer Art on **Tuesdays** and STEM on **Fridays**, both taught by Morah Haley. HappyFeet will be offered on **Wednesdays** and will be held outdoors when possible. Otherwise, it will be held in the large social hall.

Children who enroll in the after-school program MUST be completely potty-trained. Children will bring a dairy, nut-free lunch to school. It is VERY important that food items do not contain any nuts, nor made in a facility that processes nuts, as we do have children with nut allergies in our school. If your child has a food allergy, please affix a note on their lunch box indicating the allergy.

A minimum of five of your child's morning "pod-mates" must be enrolled in order to hold enrichment for that class/pod on a given day. The winter session runs from January 4-March 26.

Registration, with payment MUST be received NO LATER THAN FRIDAY, DECEMBER 18, so we can determine if we have sufficient enrollment to hold enrichment on a given day. *Please hand the form and check to your child's teacher.*

Please contact Assistant Director, Amy Portnoy (aportnoy@bettorah.org), with any questions.

Enrichment Class Dates:

Mondays (10 classes): 1/4, 1/11, 1/25; 2/1, 2/8, 2/22; 3/1, 3/8, 3/15, 3/22
